

Production Team Leader & Horticulturalist Nursery Hand at our Yatala QLD Nursery

Andreasens Green are one of Australia's leading horticulture organisations, and we continue to grow!

At our 35 acre Queensland site we are seeking to appoint a production team leader, as well as a number of qualified Horticultural and/or experienced nursery staff to work with maintenance, production and dispatch teams in creating an exceptional customer experience for our clients.

We are seeking the following skills and experience:

- Cert 3 horticulture and/or 3 years' industry experience
- For the team leader position at least 3 years' experience in a leading role
- Good level of plant identification
- Experience in the maintenance, despatching and production of nursery stock

The successful candidates will need to demonstrate the following:

- A passion for plants, nature and the outdoors
- A high level of self-motivation
- Good attention to detail and care
- Enjoy a physical work environment

In addition, you must have your own transport and should be looking for long term employment and career progression within the industry of Horticulture.

If you feel that you meet these requirements and would excel in this environment, please email your resume and a cover letter to Jose Florenciano on jose@andreasensgreen.com.au (emails only)
