

Project Manager & Sales Role at our Kemps Creek Nursery

We are seeking to appoint an outstanding horticultural professional to join our Sales and Project Management Team in driving increased sales and a great customer experience for our clients.

As our Project Manager you will grow Andreasens Green market share by

- Delivery of superior customer service and project fulfilment
- Excellent communication and planning skills
- Anticipating client's needs and driving solutions
- Assisting to maximise portfolio results and customer satisfaction

The successful candidate will need to demonstrate the following; -

- Sound experience in successful customer relationship management
- Effective end to end project management skills
- Strong administration skills with a high attention to detail.
- Exceptional time management, problem solving and organisational skills.
- Well-developed computer skills proficient in Excel, Outlook and Word.
- Highly developed team work and communication skills.

A trade qualification in Horticulture, Landscape Design or Landscape Construction is highly desirable but not essential.

If you have a passion for horticulture or landscaping and are looking for a new challenge this is an exceptional opportunity with strong development potential for the right candidate. We are seeking unique candidates that will complement our exceptional team and actively support our growth.

If you feel that you meet these requirements and would excel in this environment, apply by emailing your resume, CV and cover letter to tara@andreasensgreen.com.au

Only candidates shortlisted for interview will be contacted

Job Type: Full-time

Requirements:

Minimum Cert 3 in either Horticulture, Landscape Construction, Production Nursery or Parks and Gardens

Experience:

- Horticultural / Landscape Sales (Preferred)
- Horticultural / Landscape trade qualification (Preferred)
