

Pre Grow Manager at our Kemps Creek Nursery

Andreasens Green are Australia's leading landscape horticulture business, and we continue to grow! We're the market leaders in providing a 'one stop solution' for our clients. We are a dynamic and evolving privately owned business that is looking for great people to join us in enriching our customer's journey from start to finish.

We are seeking to appoint an outstanding horticultural professional to join our Team to drive our Pre Grow projects and produce outstanding product in line with Andreasens Green commitment to quality and customer service

As a Pre Grow Manager you will drive and develop Andreasens Green Pre Grow projects by

- Delivering superior quality stock on time and in full on all Pre Grow projects
- Exhibiting exceptional customer service, sound communication and problem solving skills
- Providing superior project planning and time management
- Coordination of stakeholders to ensure all deliverables are met on all Pre Grow projects

The successful candidates will need to demonstrate the following; -

- Effective end-to-end project management skills with demonstrated experience in project management and planning
- Proven pre grow management experience in a wholesale nursery environment
- A passion for Horticulture and the Green environment.
- Strong administration skills with a high attention to detail.
- Exceptional time management, problem solving and organisational skills.
- Well developed computer skills proficient in Excel, Outlook and Word.
- Highly developed teamwork and communication skills.
- Trade qualification in Horticulture, Production Nursery or Nursery Operations – essential

Andreasens Green is New South Wales leading landscape horticulture business, and we continue to grow. We take pride in providing a 'one stop solution' for our clients and are a dynamic privately owned business looking for great people to join us in enriching our customers journey from start to finish.

If you have a passion for horticulture or landscaping and are, looking for a new challenge working on some of the largest infrastructure projects in the state this is an exceptional opportunity with strong development potential. We are seeking unique candidates that will complement our exceptional team and actively support our growth.

If you feel that you meet these requirements and would excel in this environment, apply online ASAP – applications close 28 April 2022

Only candidates shortlisted for interview will be contacted
