

Trade Mart Senior Retail Horticulturist

Andreasens Green Wholesale Nurseries has built a multi-million dollar Trade Mart at its Kemps Creek site on Elizabeth Drive. The Trade Mart will provide customers with a much wider range of plants, personalised professional advice and the convenience of choosing plants from a purpose built display facility. This is an outstanding opportunity for an experienced horticulturist to take that next step in their career and lead the growth and development of this exciting new business.

The successful candidate will be able to demonstrate the following; -

- A passion for sharing your horticultural knowledge
- Great communication skills with customers, suppliers & staff
- Proven ability to develop customer relationships
- Experience preferably in a wholesale or retail nursery business
- Exceptional problem solving & organisational skills
- Well-developed computer skills, proficient in Excel, Outlook and Word

A trade qualification in Horticulture, Production Nursery, Landscape Design or Landscape Construction is a prerequisite to apply.

Andreasens Green Wholesale Nurseries has been operating for over 40 years and is passionate about "Creating Great Landscapes". Andreasens Green is part of the Green Group which operates the largest Wholesale Nursery business in Australia with eight Nurseries spread across NSW and Qld.

The Green Group has 300 wonderful staff and we are looking for an exceptional person to join our successful team. Success in this role will open opportunities for career advancement within the Green Group.
